Kiss Kiss Boom Boom everyone! Is your world ready to be rocked? This here issue of FOX is so out-fuckin'-rageous that after you make it all the way through you will pledge your allegiance to perversion forever. There are fabulous, filth-soaked photosets of the hottest stars in porn including yours truly sniffin' my skivvies; sweet faced, sASSy Ashli Orion binging on buttsex all by herself; inked-up stunner Bonnie Rotten getting hampered by Jack; adorable Lily Banks twiddling her twat; plus you'll have the eXXXclusive opportunity to broaden your whore-rizons with Leyla Black, the porno queen of Spain, in FOX's first-ever section dedicated to celebrating pornstar gash from Western Europe! You'll also go BTS with the phenomenal Ash Hollywood on the set of Jim Powers' "Big Sausage Pizza"; snag front-and-center seats for the DP'ing of London Keyes in an Ivan-directed web scene XXXclusive; get VIP access to Josi Valentine in Eric John's internet show Erotique TV Sex Daily; and more, more, more! There's also a XXX-rated Twitterview with big-knocked mattress actress Tessa Lane and another of FOX's "Dirty Minds" wherein a bevy of differently deranged porn ho's all answer the very same question and the results are cumpiled for your eXXXpert analysis! So, think you can handle it? Grab your junk and let's GO!

A SEASON OF SPUNK

Dear FOX: Normally I hate everything about September. I work in administration at a college, and September marks the end of my summer break and back to work! I spend all of August dreading it. I used to enjoy perving on the new female students but for the past few years even that has held little interest for me. But then when I spotted your September issue on the newsstand I thought what the hell and I bought it. And boy am I ever glad I did! That little flexi gal on the cover, Christy Lynn? Chastity. Chastity Lynn. Well she really won me over with her ankles behind her head like that. And then when I opened it up I found a whole slew more girls to lift my

spirits. I haven't masturbated so much in years. Thanks, FOX, for making another fall somewhat more tolerable.—Jimmy in WI

BONER-FIDES IN ORDER

Dear FOX Magazine: I am a boner-fide (see what I did there?) fan of that whole Storage Whore\$ thing you have been doing. That first broad was OK but that second broad, that Mandy Armani, now THAT'S what I'm talking about. That gal is so fucking gorgeous with her curly blonde hair and no tattoos—that I noticed, anyways—she is exactly the type of gal I'd like to stick my dick inside of. Them titties on her are the ideal sized breasts a gal could have—not too big and none too

small. I'd like to play with them for an hour or longer. I'd suckle them so tender like Mandy might just ooze a drop or two of milk. Her bush is a little on the sparse side for my liking but at least she had one of them landing stripes so all we gotta work on is letting that fill out some. I look forward to seeing more gals like Mandy Armani in future magazine issues. Is she Italian?—Don in TX

IF WE TOLD YOU...

Dear FOX Magazine: I have a question for the photographer of those Storage Whore\$ sets I have been admiring: how do you get the girls so shiny? Is it baby oil? At first I thought it was baby oil rubbed into their skin to get it

to gleam like that but then I started thinking to myself that it couldn't be because that would be downright dangerous to have those girls all oiled up and slippery climbing around atop off all of that junk and crap. Just curious.—*Jake the Snake in Eugene via email*

DOWN WITH CRUSTY DECOR!

Dear FOX: I gotta say that Alexis Texas is my all-time favorite porn ho OF ALL TIME. This even includes Jenna Jameson who I did worship at one point but NO LONGER. It's all about ALEXIS. I have over 300 photos of her torn from magazines (quite a few pages of FOX) taped up all over my apartment. I live alone and am sadly without female company at the moment so I can decorate my rooms however I damn well please. I take especial care when I am rubbing myself in her tribute to only ever squirt into a Kleenex and never onto her images, because who wants crusty stained decor? Not me, even if I am the only one who comes in here, for the time being at least. Can you feature a set of Alexis every single issue? Her face, there is something about her face that begs me to pull my cock out and fondle it. I bet her skin feels so soft to touch. I want to lick her asshole.—*Barry via email*

GUARDED SECRETS

Dear FOX: Who, exactly, is Tim Von Swine and how might I get in contact with him? I want to guest star in one of his Pig Sauce photo shoots. If he can do it I can do it, and I promise to let him be in charge and that I won't try to steal the scene or anything. I've noticed from time to time that he has another young fella porking those bitches alongside him and that man appears to be even larger than himself. I work out some and have a bit of muscular definition in my chest and shoulder area so I feel that I would only enhance the photographs from an artistic point of view. Some of the pussy that he gets is really top-notch. I like curvier bitches myself. Please pass along my contact info to Mr. Von Swine because I really think he might be interested in what I have to offer.—*Vincent in NJ*

STEAL 'N' SNIFF?

Dear FOX: Have you ever considered having some of your centerfolds be scratch and sniff? I don't know what's involved with that, but so often when I see one of those close up poon pics I can't help but wonder what it smells like. I stole a pair of used panties from my local laundromat but they had already gone through the wash and no longer smelled like snatch. I used to have this one girlfriend who had a very pungent smell to her and I used to love going down there and just eating her out for hours and hours because there was something about her scent that really did it for me. I wish I had thought to steal a few dirty pairs of her underwear but when she left me I didn't see it coming at all and she packed up all her things and left in the middle of the night when I was at work so I never had the opportunity to grab any of her stuff.—*Randy in UT*

Dear Sirs,
July 22, 12
Re current Fox Sept. 2012., #192 issue...
Terrific job as always. I used to favor "Hustler" but have switched over to you.
My only (minor) complaint... that sensational cover shot of Chastity Lynn... was so good that I wanted to see it inside without the er, um... obstructions, blocking out her best features. There was nothing comparable inside (i.e. ankles behind the head).
Couldn't you run that cover again?
Only inside with all intact.
+ thanks.

PIXXX BY PHOLO

FOX
ESPAÑA

There are those who sing songs about la vida loca and those who actually live it. Spanish skinsation Leyla Black belongs to the latter category, dedicating her days, nights and every minute in between to the full-on pursuit of crazy orgasmic throes. She has soap opera star beauty and a genuine enthusiasm for being fucked and fucking back, a winning combination that all but guarantees her international sex industry success. Her vajazzled vajay is always ready for a vigorous dicking, as is her hot little ass. For as petite as she is, Leyla can take a rather respectable amount of cock up her culo. She keeps her starfish in such spectacular shape by stretching out her O-ring whenever she's just chillin' at home. Choosing a dildo that is both veiny and triumphant she starts with just the tip, easing it deeper and deeper until every last inch is inside. Que bueno! 🍆

DIRECTOR
JIM POWERS
SLUT 'N' PUPPET
ASH HOLLYWOOD, CHRIS STROKES
PIXXX & ARTICLE BY JEFF HUBRIS

There is an extra level of paranoia on porn sets these days. That's because someone might rat you out and send the cops to your location to bust you for not using condoms, or any number of other infractions that can be used to extort extra money from already stressed porn producers. To clarify, L.A. County and other surrounding counties have legislation afoot that will make condoms mandatory on every porn set. The upside is that porn hooliganism will return to its roots, when shooting people fucking was a clandestine, unlawful act. I predict that this whole thing is going to backfire because there are too many ways to get around it and, ultimately, it's just too much fun outmaneuvering the porn police. Getting away with it—to a group who are basically a band of criminals to begin with—smells like victory.

So there's that. Then there's always the neighbors. Ash Hollywood, male talent Chris Strokes and director Jim Powers along with his stills photographer F-stop have left this suburban porn house location in a car to shoot a pick-up nearby. But Ash Hollywood suddenly bursts through the door. "Some fucking crazy lady jumped out in front of the fucking car!" she yells. "Two of 'em!" Strokes, Powers and F-stop follow close behind with their camera gear.

"This lady was running in front of the car trying to stop us and Strokes almost runs them over to get out of there!" Powers says loudly. "It was like surreal. I was just shooting him driving. Two women assaulting us, it was the weirdest thing I've ever seen!"

Even as porn girls go, this Ash Hollywood is a fucking stream of consciousness word salad spewing, loose cannon of a fuck machine, and that's saying something. When you talk to her about anything you could get a reaction ranging from nothing, or nearly nothing to an extremely detailed response about whatever is coursing through the randomly firing Ash Hollywood brain at any given time. If you're lucky it might even apply to the subject you brought up. Wow, let's try it and see what happens. I want to know what's up with what appears to be a tattoo of some Latin phrase on her shoulder.

"It means 'What nourishes me destroys me,'" she replies immediately. "I'm very reckless and I'm very spur of the moment and I knew it was going to kick me in the ass some day. I've wanted this tattoo forever and then when I got it I didn't realize that the placement was quite comical."

I didn't ask, but I think that means when she's kneeling in cum receptacle position, ready to receive a jizz-blast in the face, the load deliverer can feel free to muse over the meaning of this scripture while either being blown or jerking to a pop with camera and lighting dudes gazing at the walls, waiting for the proper pathways within his sometimes fragile male sperm-delivery system to complete themselves. It's all very romantic. The point is that this foray into ASH-WORLD has been successful. Maybe try again later.

Oh shit. I've been so wrapped up in my own second-to-second existential disappointment that I almost forgot there is a porno scene being shot here for a website with an absolutely genius level premise. In each scene the porn dude rams his dick through a pizza box, complete with pizza, and then *la fille du jour* goes to work. That's about it. Powers of course has today's plot permutation all nailed. Strokes is a pizza delivery professional who's trying to teach Ash the ropes. Sordid hardcore hijinks will ensue. Guaranteed!

"Listen. *Big Sausage Pizza* is all about the delivery," Powers tells Ash. "I want you to walk up those stairs and pretend you're delivering a pizza to me. We're going to get this right. Goddammit, you're going to become a *Big Sausage* person even if it kills me! Now go and deliver these damn pizzas!"

She rehearses with three pizza boxes but when it's time to roll Powers narrows it down to one.

"Wow, there's really pizza in this thing," she says. "I heard about this putting the dick through the pizza shit before I got into porn."

Powers wants more conviction: "It's not just a job, it's a lifestyle! It's exhilarating!" he screams. "That's the story. It's all in the delivery, not of the movie but of the big sausage itself! Okay? You feel it?"

The preliminaries are dispensed with and Strokes slams his unit through both the box and the pizza. "What do you think of that?" he shouts. "You know what to do with sausage? You EAT IT!"

She inhales cock and then makes an insertion, fucking Strokes through the pizza and box until it is no longer needed.

ASH HOLLYWOOD: Every couple of hours I get crabby, so I'm like, *Stop before I get fat kid crabby!* ...I lick in people's ears all of the time during scenes just to see what they'll do. They're like, *WHAT THE FUCK ARE YOU DOING?* ...When I get drunk I'm white girl wasted. Just leave me alone. ...I stay out of any and all trouble. I hide in my home and I throw my phone in the corner and I'm like *FUCK EVERYBODY!* Everyone's like, *Why can't we get a hold of you? Why do you disappear?* I'm just trying to keep my sanity! I had a run of bad friends and I just got impatient. I just was better than that. When you start like getting bigger as a pornstar, people don't know who you are, people like want to be around you all the time and I don't really fucking like people so it really doesn't work out. It just came to that point, especially around AVN where I just kept getting fucked over. I was so angry at AVN. I convinced six people at AVN that I was Death because I just didn't want to talk to anybody. People would come up to me and they would go, *ASH! ASH!* I would say things like I was Death and I was talking to him. They would walk away saying, *It was nice meeting you, I'm sorry* and they would walk away all embarrassed and I was like, *YES! I skeeted out of another one.* It was bad. ...I speak a little bit of French and people would come up to me who were like foreign fans or whatever and I would start speaking French and they were like, *Fuck, I had no idea!* ...I collect random things, so when I focus on something I get so focused I'll collect a lot of one thing and then go on to something else. So I'm going through stuff and I'm like, fuck I have a lot of jewelry, fuck I have a lot of bra and panties, fuck I have a lot of clothes! Where did all of these come from? Then I go and try to organize my sex toys and I'm like, wow I really put the whore in whoredom. What the fuck? ...A lot of guys who have a boob fetish have mommy issues, it's true. It seems that the guys with the ass fetish are like the horniest. It's primal. If a girl has a great ass she's more fertile. ...One of my favorite questions to answer in interviews is, *So you're in this business because you have daddy issues?* I always stare them straight in the eye and go, *The only problem with my daddy is that I don't have one. Do you want to be my daddy?* They never expect it ever. EVER! I like to push buttons. ...I didn't have a sex life until recently. Betty White got more action than me, I fucking swear.

We use 100% Real whole milk mozzarella cheese.

JIM POWERS: I like those kind of shoes. They totally remind me of Pat Benatar. Do you know who Pat Benatar is?

FOX: Maybe her mom would.

ASH: So my mom growing up didn't know any of the lullabies because she was a biker girl. Plus she never grew up around little kids in the family because she was the baby so she never learned that shit. So she used to sing me commercial jingles like the Fig Newton song and the milk song. And then she's dissing the rock songs like "Great Balls of Fire" and just stupid shit. My mom wasn't very girly. My mom was always like the '80's tough girl rock 'n' roll chick. She's not really a drinker. I've only seen my mom drunk twice in my entire life. She had a bad-ass attitude. Where do you think I get it from? You know what my mom used to tell me when I would get in trouble? *Little girl, I put you into this world and I can take you right out.* When my mom would get mad at me I would just run for the nearest locking door and like lock myself in the bathroom.

They bang it out in a bunch of positions and even during a few breaks. When it's time, Powers calls for a pause to figure out the pop. Strokes votes for open to the camera spoon. "Fuckin' her like that, that'll make me cum," he says.

Everything goes as planned and Ash takes it in the face. When Powers is done shooting she channels her inner winner, spreading pussy for the camera with a big gob of load dripping off of her chin. I love this fucking Ash Hollywood. Not a lot of girls like her anymore. No cum dodging. Crazy as bat shit. Hard to handle. A real porno girl. Take notice.

ASHLI ORION

PIXXX BY GIA JORDAN

They don't make 'em much more bootyful than Ashli Orion. This feisty little minx has a few years of professional fuck-ing under her belt, and is fast becoming one of the most conspicuous stars in the entire XXX galaxy. With an ass worthy of its own epic poem, Ashli never looks better than when she's going—except for when she's cumming. Built the way she is, it would be a tragic waste if she wasn't interested in back door lovin' but thankfully she digs it in spades. Pretty face planted in a pillow, bee stings just brushing against the sheets, back arched, onion thrust skyward... that's Ashli's preferred posish. She'll reach back to split her seat and give her rosebud a little light before it's plowed and seeded. When alone, she likes to run a train on her caboose and stuff it with multiple toys. This kid's a keeper, no ifs, ands, or butts.

**LONDON GETS
CREAMED**
THE PUBA NETWORK
PUBA.COM
DIRECTOR
IVAN
SLUT 'N' PUPPETS
LONDON KEYES,
TONI RIBAS, NACHO VIDAL
PIXXX & ARTICLE BY JEFF HUBRIS

32160

London Keyes came to L.A. from Seattle in 2008, just before everything went to hell.

"I was stripping before I came out here," she says. "I hated that. The FBI came into the strip club and a bunch of girls were busted and the money got real bad. Then I was working at a hair salon. I have my license to do hair also. Summer Bailey got me into it. She told me about this and three days later I came out."

Her porno career cruised along with few hills or valleys until the 2011 release of Jonni Darkko's *L for London*, which included her first on-screen anal with both Manuel Ferrara and Asa Akira and included eleven remarkable scenes in all. It was a watershed moment that garnered much publicity. Folks started to notice that she is a girl of very strong porno fiber.

Today she'll perform an oral, vaginal and anal three way annihilation live for the PUBA Network website with Spanish hit makers Nacho Vidal and Toni Ribas, who are known for their respective abilities to lay down the thunder. Both have reputations in their own right but together comprise a high impact juggernaut of fuckism that is worthy of respect. I think it's worth mentioning that London expressed the desire to work with these two fine seniors simultaneously, which speaks of a longing for, I guess you could say, "action." I first spoke with her years ago, two weeks after her move to Los Angeles. She had done only nine scenes and made the point of saying that anal plunging was definitely not on the menu, nor was the larger sized penis. All of that has been taken care of by now...ad infinitum...and she seems to have handled it all just fine.

Much is made of the anal maiden voyage. Porn girls hold out for the big bucks before getting their assholes officially plowed for the first time on video. It's become a thing, but gaping pussy is not enough anymore. Even the clean, well-lit view up the female alimentary canal has become passé, carrying the erotic impact of an electrocardiogram ad in *Reader's Digest*. Porno overkill still isn't enough. *Pussy pussy pussy! Ass Ass Ass! What to do? We need more!* The master violation is the next step. There is going to be a professionally done London Keyes orifice stretching party here tonight, executed with, shall we say, *VERVE!*

She's done with makeup and is readying herself, applying lotions and getting into a black get-up. There is no time for small talk. Director Ivan has hung black plastic in the portion of his studio where the scene will be shot so as to eliminate any background distractions. Jonni Darkko shows up to shoot stills. When that's over there's a window for discussion, and I ask about her sex life pre-porn.

"I was always very sexually active," she says. "I always had boyfriends but I don't like relationships. I suck at holding down relationships and being in one because I like to party and I like to go out. I've always gotten in fights with boyfriends because they thought I was flirting too much."

She lets out a signature high-pitched laugh that mocks her dependability as a girlfriend. *Ha ha ha!* This utterance signals comfort to a person who struggles with commitments also. Welcome home, honey. There is no such thing as damage control. I feel you. Sad, really.

So here we are. So much for proclamations of piety that pale in the face of greater levels of perversional responsibilities relating to porn industry advancement. There's that, and the fact that London Keyes has made a decision to seize this day with the desire to be absolutely turned out by this high velocity, dual Spaniard penetration juggernaut. "Whatever floats her boat," says PUBA honcho/director Ivan with a sense of foreboding. "Whatever floats her body. She wants it."

Vidal and Ribas take a moment to go over London's Do's & Don'ts: "No making me black and blue and no punching me in the face," she says matter-of-factly. Hey, no problem! This is going to be EASY! The sexuality starts with London being relieved of the brassiere part of her fetishy black outfit. She is then subjected to a series of enhanced interrogation techniques that make it necessary to quickly remove her bikini bottom also. Rather than revert to traditional porno journalism terminology to describe what happens next, the language of quantum physics and astronomy might be a more suitably expressive conversational mode.

Three spatial dimensions are curled up and ready to explode. Shape is everything. The cosmic symphony of strings in time begins to move and vibrate. Extragalactic gamma ray bursts twist and distort the dynamic of uncontrollables. London Keyes inhales cock in her mouth and asshole at the same time. Like five minutes have passed and she's already fucking drenched with sweat. She takes each dude in the ass and pussy and then there's a super high velocity DP that lasts like three centuries of human time. Where can it go from here? Screaming! The strong force warps. London Keyes absorbs and handles gazillions of superabounding intergalactic collisions originating from Nacho Vidal and Toni Ribas.

Loads are blown. Her face, ass and pussy are smeared with Spanish cream. She spreads her teeming pussy lips, owning the most interesting cavern in the human realm open for Ivan to video. Curves and contours in the spatial fabric are altered.

"That was nice," Ivan says, still rolling video. "That was a great rehearsal. What just happened?"

"I just got it in my ass and my pussy at the same time," London says in a punch-drunk slur. "It was great. I did it with Nacho and Toni Ribas for londonkeyes.com. I don't know. Holy shit, is my vagina still there? Is my ass still there?"

"Is your ass over there and your vagina over there?" Ivan asks, pointing in different directions.

"Oh, that's where my colon went," London says, pointing over there. "I don't know where my bra went."

Ivan keeps shooting.

"Well, at least we know that you can't do double anal," he says. "Because they tried as much as they could."

She asks for a towel, laughs and mutters. "Oh my goodness, I only just started doing anal. Wow, my poor vagina. It was fun though. I can't function very well after this scene. Omigod, I can't even think."

She alternates more bursts of private laughter with randomly firing thoughts of disorientation. After the fact, I have come to the conclusion that traditional porno journalism language trumps the language of quantum physics and astronomy to describe this brand of human sexual interlude.

"Omigod, I can't even think," she says again. "I think my pussy is like pulsating. It has a heartbeat. Oh my god!"

This was a special master violation moment. London Keyes was just fucked stupid. Delirious and unbreakable. 🐱

@LilyLaBeau

LilyLaBeau

Nine out of ten pussy hounds agree that Lily LaBeau has one of the best smelling slits in the biz. An arousing aroma, one whiff of her whisker box is enough to inspire a serious stiffy. In fact, her honey smells so sweet that even Lily can't get enough and there's a rumor going 'round that she's developing an addiction to inhaling her own muff fumes. During her days off she lolls around in the nude with her legs flung wide, huffing her panties till she's all smacked out on the scent of her sex. In order for her to score an adequate amount of girtie juice to maintain her high, she's gotta masturbate nearly non-stop, rubbing out O after fragrant O. When her eyes roll back in her head and her chest heaves so hard as to make her marvelous titties jiggle, that's when she's breathed in enough essence of quim to reach her happy place. There are worse habits she could have. 🐱

TURBO-D

FOR
ERECTION
PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase

sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU
WANT THE
**SEX
POWER
OF A
BULL?**

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

BONNIE
ROTTEN
= JACK

@thebonnierotten

PIXX BY CHRIS KING

This particular wild child is one hell of a righteous lay, as lucky man Jack is well aware. She's got a totally sick body beneath an ornate scrawl of tats, and as soon as anyone peeps Bonnie being rotten, their eyes will forever lust for more. Here are a few of her innumerable praises, sung in no particular order: first off, she's super fucking fun in the sack. Her wacky antics always result in unforgettably riotous ruts, which is all kinds of awesome. Next off, Bonnie is an advocate of doing it dirty, which means that she's up for almost anything and down with pretty much everything. She'll take it in the mouth, in the snatch, up the ass, and any outrageous combos of the above. Lastly, and likely Jack's favorite fact, Bonnie is strictly sport fucking only. A post-O high five is her favorite kind of cuddling. What a bad ass B. 🐼

JODI TAYLOR & MELODY JORDAN

piXXX by Rick Shameless

In this day and age, with so many so-called "pleasure enhancing" adult gadgets and gew gaws flooding the market, it's a rare thing indeed to catch two girls bumping uglies old-school and causing each other to cum unencumbered by buzzing, battery-powered bits of plastic. Jodi and Melody are two horny young hotties wise enough to realize that the only things they need for toe-numbing orgasms are themselves. The tickle of warm breath on a secret spot followed by the flick of a tongue or the gentle poke of a finger...those are sensations that no man-made machinery can mimic. And so they kiss and paw at each other's hard, tender nipples, eating ass and fingerbanging until both are within an inch of ecstasy. Then Jodi and Melody pause a moment, trembling, holding their breath in an attempt to savor the intensity before burying flushed faces deep between silken thighs to suck swollen clittys to climax. 🐱

My Wife & 2 Nasty Girls

Will pull up their dresses, pull down their panties, fuck suck and cum just for you!! They'll do other things too if you tell us what you like. I can't mention ages in this ad, but our home videos and pictures are better than the commercial stuff.

Tessa Lane

By @Gabriel_Lan

Girls in porn generally fall into a few different categories. One that has always been popular is "the girl next door." Tessa Lane definitely fits that billing, but with an extremely naughty side. A veteran of the biz for a little over a year, Tessa's just scratching the surface of her potential as she reaches new heights of popularity with both fans and directors alike. She has earned her reputation with the major players and companies in the industry as being reliable, dependable, and always bringing the heat when it comes to her performances. While she continues to achieve new levels of success, Tessa has remained that same sweet, friendly, all around great girl from New York that she was when she started. Blessed with big, natural breasts, a winning smile, a great ass, and business savvy, she is still a girl with the personality and charm you'd be proud to take home to meet your mother...then leave soon thereafter to bang her brains out. With just over 25,000 followers on Twitter, Tessa's fan base is continually growing.

@Gabriel_Lan: You're originally from Long Island, right? Are you a big Yankees or Mets fan? Giants or Jets? Hell, Rangers or Islanders for that matter....

@ItsTessaLane: I was raised to love Yankees, Giants, Rangers but I really only watch basketball being as I played it for 10 years. Knicks all the way baby!

@Gabriel_Lan: Ever attended any of the games?

@ItsTessaLane: Oh yeah! I've been to several Yankees and Knicks games.

@Gabriel_Lan: Are you going to jump on the Brooklyn bandwagon now that the Nets have moved?

@ItsTessaLane: I'm a Knicks fan all day and all night!

@Gabriel_Lan: Sports fans are just a little more "fanatical" back home as opposed to L.A., wouldn't you say? LoL

@ItsTessaLane: Yes! The only excitement I see out here is for the Lakers.

@ItsTessaLane: I think back in New York we just have great teams so people aren't embarrassed to cheer them on. I'm extremely biased towards New York lol

@Gabriel_Lan: What do you miss most about living in NY?

@ItsTessaLane: Besides my family and friends, I miss pizza and Chinese food because it's horrible out here! Chinese food on the East Coast is amazing!

@Gabriel_Lan: Did you actually just have coffee for the 1st time ever during the summer??? How did you like it? LoL

@ItsTessaLane: I did! I really didn't enjoy it at all lol. The taste is horrible. I even got a caramel frappe and still tasted the coffee.

@ItsTessaLane: It wasn't good at all. Also, I was shaking and sweating after from all the caffeine! lol

@Gabriel_Lan: You're a part of what I call the Sexy Insomniacs Club. Do you ever sleep???

@ItsTessaLane: You'd be surprised I actually do! I've always just been a night owl from when I was really young until now.

@ItsTessaLane: I like being up late, but if it were up to me I'd sleep everyday until 5pm. I'm more so nocturnal than an insomniac.

@Gabriel_Lan: Do you associate with many industry types away from work?

@ItsTessaLane: I'm actually a big old homebody. I do know wonderful people in the industry, but I stay to myself a lot.

@Gabriel_Lan: You're pretty tight with fellow "Slut Next Door" (and a personal fave of mine) Lia Lor, right? How did you meet? You hang out with her often?

@ItsTessaLane: Yes! I love Lia! We met when she came to an Ideal Image party with a mutual friend. We clicked instantly and we hang out all the time now!

@ItsTessaLane: If we're not together, we're on Facetime lol. I've had friends out here but never clicked with someone how I clicked with her.

@ItsTessaLane: I think it's because we're both Virgos...and awesome!

@Gabriel_Lan: Have you ever dated girls in your personal life? Do you have a preference when it comes to relationships?

@ItsTessaLane: I have. I dated girls before I dated guys. I don't really have a preference. I find both sexes very attractive and I'm sexually drawn to both. It's the person that lures me in.

@Gabriel_Lan: When was the last time you went on a real date?

@ItsTessaLane: Man, I couldn't even tell you! Being in this business it's hard to find someone to trust you.

@ItsTessaLane: When I'm in a relationship I take them seriously, but people don't really see the difference in fucking on camera and fucking off camera.

@ItsTessaLane: I save my emotions for personal relationships but I guess that's hard to understand outside of porn. I would love to go on a nice romantic date. I put out, guys!

@Gabriel_Lan: I'm gonna give you full credit for this one: Isn't "fuck date" actually a classier term for "booty call?"

@ItsTessaLane: Lol I don't know where that came from. One night I was thinking and I'm like "booty call" just sounds so trashy and unattractive.

@ItsTessaLane: Me being from New York, cursing is always classy (lol) and "fuck date" popped into my head!

@Gabriel_Lan: LoL speaking of which, do you have a regular booty call/fuck date (or 2 or 3) on speed dial? Or is it just easier to pull out the Hitachi?

@ItsTessaLane: I have a few on speed dial definitely! It depends on who I'm in the mood for...lol

@Gabriel_Lan: Where's the craziest place you've ever had sex?

@ItsTessaLane: It's funny because sometimes I could be one way completely and just say "fuck me right here, right now!" but the majority of the time I'm a nerd.

@ItsTessaLane: I blush really easily. I can be shy when it comes to people I'm attracted to so I won't always try to rip their clothes off! Lol.

@ItsTessaLane: Craziest place still has to be before porn when I had sex in a fire truck!

@Gabriel_Lan: What sort of "nerdy" things do you do?

@ItsTessaLane: Well, I read A LOT. I love historical books whether its fiction or not. I also enjoy finding grammatical errors in books.

@ItsTessaLane: I'm somewhat of a grammar nazi (loser?) lol. I love watching documentaries on history, especially on Egypt, the Pharaohs and pyramids, etc.

@ItsTessaLane: There are different types of nerds. I'm one that loves to learn. I'm always teaching myself something new or things for future references.

@ItsTessaLane: I read all those Twitter "fact" handles too and do extensive research to see if they're true or not.

@ItsTessaLane: God bless an iPhone, I have education at my fingertips!

@Gabriel_Lan: Do you masturbate on a regular basis too? What sort of things do you think about when you do that?

@ItsTessaLane: Of course! Regularly! Honestly, I think about girls mostly. I watch porn as well and only can be turned on when I see how pleased the woman is.

@Gabriel_Lan: Would you consider yourself more of a submissive type?

@ItsTessaLane: I'm 100% submissive! I love pleasing. I love being told what to do. I love being controlled! Now, this submissive thing is definitely only in sexual situations.

@ItsTessaLane: Outside of sex, there are very few people who can tell me what to do. Lol

@Gabriel_Lan: You've only been in the industry a relatively short time, but you've already worked for some porn's best companies. Have a favorite so far?

@ItsTessaLane: Growing up watching porn, I've always loved Jenna Haze and Jesse Jane.

@ItsTessaLane: Working for Digital Playground was a huge deal from me, being as Jesse Jane is one of their main stars.

@Gabriel_Lan: Do you ever watch any of your scenes?

@ItsTessaLane: No! I get embarrassed! Like I said earlier, I'm embarrassed easily. I hate hearing myself talk on a recording or watching an interview lol.

@ItsTessaLane: It's weird. I'll watch trailers of myself, but never full scenes.

@Gabriel_Lan: Have you ever done any stripping? How did you get your start in the jizz biz?

@ItsTessaLane: I've actually never stripped, ever. I got into the business by being a creep and recognizing pornstars at a club.

@ItsTessaLane: I flew out to Hollywood in 2010 for a friend's birthday and met a lot of industry people, one of them being Tee Reel.

@ItsTessaLane: He took me under his wing and showed me the ins and outs of the business and luckily he's one of my managers now.

@Gabriel_Lan: What's next on your porn "to do" list?

@ItsTessaLane: Definitely my website! It should be out by the end of this year! I'm so excited! www.tessalanexxx.com

@Gabriel_Lan: Where DO you ultimately hope to end up? Is this something you see yourself doing for a while?

@ItsTessaLane: I eventually want to get married and have a family, but it's definitely not in my near future. YEARS from now (extreme emphasis on "years")

@ItsTessaLane: When I'm no longer performing, I'd love to direct! I already directed my own DVD 2 months into the biz and I've learned so much since then.

@ItsTessaLane: I also have some twisted fantasies in my head that I would love to see other people act out...um...for fans of course!

@ItsTessaLane: Not for my own personal pleasure! No way! ;-)

@Gabriel_Lan: Tell me about this new motto you came up with...TOLO. What does that stand for?

@ItsTessaLane: Lol well I'm so sick of YOLO. It stands for "You Only Live Once" but people are just over-using it. I like TOLO, "Tits Out, Legs Open"

@Gabriel_Lan: I keep having this fantasy about you as Dorothy in *The Wizard of Oz*...banging the Tin Man, the Scarecrow, and the Lion all at the same time. Weird or not???

@ItsTessaLane: That's so funny! I just auditioned for the parody of that! I grew up watching that almost everyday, I can recite it back and forth.

@ItsTessaLane: When I heard there was going to be a parody I KNEW I had to try out. I sing as well, so I thought it'd be perfect for me.

@ItsTessaLane: We don't know who got it yet and there were great people who auditioned so cross your fingers!

@Gabriel_Lan: LoL at some point you also go and blow Oz himself.... Think you'd bang Glenda the Good Witch too? Hypothetically, of course...

@ItsTessaLane: I would love to blow Oz! Especially if it's James Franco! (He's in an upcoming movie playing him lol)

@ItsTessaLane: And I'd want a threesome with the Good Witch AND Wicked Witch!

@Gabriel_Lan: Just a guess, but most guys would probably say your boobs are your best asset. What would you say is your best asset?

@ItsTessaLane: My boobs are definitely a blessing, but I love my hair and my skin color. I get teased about how pale it is but I'm Irish.

@ItsTessaLane: I'm fair and have freckles and I think it's beautiful! It makes me different. And my hair, just because I'm emotionally attached to it lol.

@Gabriel_Lan: How often do you notice guys in public staring at your boobs rather than looking you in the eyes?

@ItsTessaLane: I'm pretty oblivious to it, actually! Stare away my friends!

@Gabriel_Lan: What kind of assumptions do you think people make about you based solely on your looks?

@ItsTessaLane: I don't think they would ever think I'm in porn. When I'm not on set or headed to a club, I wear my glasses, yoga pants, and a tank top.

@ItsTessaLane: I'm the typical girl next door I guess...just with an extremely naughty side!

@Gabriel_Lan: You find yourself to be just a flirtatious person by nature?

@ItsTessaLane: I don't know how to flirt! I tend to be very giggly and nervous or I take it to the extreme and just send naked pictures!

@ItsTessaLane: I've never known a "medium" when it comes to that lol. The dirty texts, pictures, and conversations are earned!

@Gabriel_Lan: What IS better than a dirty text? Didn't you say that dirty texts were greater than almost anything? LoL

@ItsTessaLane: Yes! I love dirty texts and dirty phone calls!

@ItsTessaLane: It gives your mind a chance to wander and come up with your own scenarios that you can text even more and then later act out!

@Gabriel_Lan: How often do you find yourself doing a little sexting?

@ItsTessaLane: Daily! Lol there's this very innocent guy I met on Twitter. I send him dirty pictures every day. He's just starting to send back dirty replies.

@ItsTessaLane: It's such a turn-on knowing I can get someone so hot and bothered they can't wait to see me and they have to text it right away!

@Gabriel_Lan: LoL does that lead to actual sex very often?

@ItsTessaLane: 99.9% yes

@Gabriel_Lan: I did give you my phone number, right?

@ItsTessaLane: Lol! No you did not, actually!

@Gabriel_Lan: Check your inbox :-)

DIRTY MINDS

Q&A by @Gabriel_Lan "Great minds think alike"—we all know that old saw. But how about dirty minds? Do they think alike too? FOX wants to know! So we went to the dirtiest, filthiest pornstars we could find, and picked their brains for raunchy input! Once we had that part of the experiment in place, the next step was to go directly to the fans for questions that their own enquiring, perverted minds were dying to ask the girls they jack-off to all the time. A handful of the same questions that were asked by almost every fan were given to the sluts to determine if there were common themes in how they think and how they answered. This month's featured question is:

SWALLOW OR CREAMPIE... WHICH IS YOUR FAVORITE WAY TO BE FILLED WITH CUM?

SIRI: Both at once! I don't do creampie on film (yet), but there are plenty of times I've had both in my private life. Cum in both ends is a wonderful feeling.

32151

ANGELL SUMMERS: That's a hard choice lol. I'd say creampie and then when the sperm comes out I can take it and swallow it.

32151

CYTHEREA: Sorry guys... I'm a creampie girl! Just don't have that acquired taste palate for the jizz cocktail.

29411

JAYDEN LEE: I prefer to swallow. But then again I love when I get creampie'd and having to push it out, then someone dripping it into my mouth!

32151

CHASTITY LYNN: I prefer creepies! I just love the feeling of being filled up with cum, but based on obvious risks I only do this with certain men.

31531

JAYDA DIAMONDE: Foooooooooed Me, Fellas! LOL. I wouldn't waste any of the creamy goodness away with a creampie...no...no... feed me straight from the TAP! I want it ALL!

27527

32151

ASHLEY FIRES: Now that is a tough question. I love to taste cum! Every man tastes different and I love to feel it sliding down my throat, but my absolute favorite hole to be filled (of all my slutty holes) if I had to pick...definitely my asshole. I feel so deliciously dirty having cum seep out of my freshly fucked asshole.

29951

RILEY REID: I actually won't allow a guy to come in me unless I'm steady and planning for a kid or something. Otherwise, I am way happy having cum anywhere on me or eating it off something. I'd love for a guy to cum on some edible object so I can eat it lol but I do think it's hot if the guy cums in my/his hand then to eat all of it off my/their hand. Yum!

30851

SAMANTHA BENTLEY: That's a hard one. At home I like my pussy filled with cum. At work I love a good facial. I love to lick cum off my face and tits also.

32151

PRESSLEY CARTER: I like to be creampie'd!! It feels so AMAZING!!!

32151

BRANDY ANISTON: Mmm definitely swallow...or all over the top of my pussy :)

KARLIE MONTANA: CREAMPIE!!!
I like to feel the pulse of every drop being pushed inside of me :)

MANDY ARMANI:
I LOVE CREAMPIE!!!
I LOVE my pussy being filled FULL with cum. It makes me all tingly and gives me the BEST orgasm ever! I love just trying to pull all the cum out of a throbbing cock with my little pussy.

KEIRA KELLY:
Swallow!!!
I always swallow :)

JESSIE ROGERS:
Oh god, I hate creampie's. Well, I don't mind it but I'd rather get a facial or swallow it. In most of my scenes they usually cum on my face. I always open my mouth and smile. I love it!!!

TIFFANY DOLL:
I love the taste of cum a lot! Sometimes when I'm with a guy in the morning, I ask him to cum in my coffee. I call it "un café crème!" You should try it...it's so good!!

NIKKI DELANO:
Creampie. I'd rather have a guy cum in me while pounding me nice and hard. I want him to get all into it without having to hold out and squirt on me.

JULIE CASH:
Mmmm... creampie!
I love the warm, yummy filling in my warm pussy :)

PIXXX & ARTICLE BY JEFF HUBRIS

32158

This is so classic. Boston girl Josi Valentine is twenty-eight and has just moved to Los Angeles to do porno after being an art teacher in Vermont for several years. I am so fucking into this kind of thing. No one—and I mean NO ONE!—fucks better than a junior high school art teacher. OH SHIT I am so fucking horny right now.

"I was teaching art at a public high school," Josi explains. "I was a stripper in my early twenties and I thought I would maybe try a hand at the life I had maybe prematurely said wasn't for me, you know, that normal life? So I went back to school and I became a teacher and I was bored to death. I loved my kids, you know, my students, but the vanilla life isn't for me."

Hats off to Eric John who obtained her for his Monday *Erotique TV Sex Daily* two-hour morning bang out. Mr. John is a powerful porn intellectual and a very accomplished performer who realizes that the context of the porn girl background can add additional dimensions of ero-fantasy to his daily sex shows. I'm here to tell you that on- or off-camera, there is nothing like fresh, New England art teacher pussy first thing in the morning.

"Yes, I was very promiscuous in terms of lots of sexual partners, lots of orgies and group sex," Josi elaborates. "I love sex, I love it. That was before I became a teacher. I calmed down a little bit."

This shit just keeps getting better and better. First of all, I can't get enough of talking to this girl due to the fact she is able to speak in complete sentences which, I'm willing to wager, are formed by a brain not under the influence of meth, weed, Xanax or any number of other controlled substances that are so popular with the kids these days. This can make for a relatively dissonance-free communication channel between the porn girl mind and mouth that better enables us perverts to understand exactly what lubes the chute. For instance, let's ask Ms. Valentine the art teacher to explain her orgasmic process. Yes, let's definitely do that.

"For me it's all about clitoral stimulation," she says in a thoughtful teacherly tone. "As soon as I get the first one they come in succession pretty easily in 10-20 second intervals. I remember the most I got up to was 20. It took maybe 30 minutes. But I rarely get up to that many any more because it exhausts you, that many orgasms. You get to the last one and it's like the seventh or eighth and you're like, *I can't, I'm done*. It's too much work. With other orgasming, I have internal orgasms throughout sex. And I do squirt, but it takes some work. I haven't been able to squirt on-camera yet. But I'm secretly working on it."

I'm sold. Oh shit! I almost forgot that there's supposed to be a bang out here this morning. Silly, art teacher orgasm obsessed me. Eric John summons Josi Valentine to appear with him in front of the cameras and solicit paying viewers. Already there are requests for anal.

"What you have is totally hot and gorgeous!" he says while she lounges on the fuck bed. "How could you ask for any more? Her pussy parts are very nice so if you're in the pussy parts why would you want to leave the pussy parts?"

Someone emails asking Eric to discuss Ms. Valentine's asshole.

"Can I discuss her asshole?" he answers. "I'm going to let her discuss her own asshole." He yields the floor.

"My asshole is pretty fucking tight," she explains deliberately. "I don't think it would gape even if I was fucked in the ass a lot. My bun is so fucking tight, but who knows? That would be pretty fucking cool because gaping asshole pictures are my favorite. I can't stop looking at them!"

Wow. Everything seems to be going according to plan. That means it's time for Ms. Valentine to get artistic about her BJ skills. Viewers are signed up. The cash is rolling in. Let's fuck this art teacher.

Eric the Great grabs a video-cam and stands on the bed. Josi blows cock while he rolls video, all the while keeping an eye on the computer screen. He multitasks, getting head and shooting video while keeping up a stream of consciousness repartee about his feelings at any given moment with his viewers, some of whom are regulars.

"There's nothing better to start your week with than the appropriate blowjob," he rambles. "There are a lot of other ways people start Mondays in the world. This is a good way."

Because the live Internet sex show is all about giving the people as much dollar value as possible, sexual acts sometimes last longer than they usually do on video. Josi hoovers cock for a good ten to fifteen minutes or so, then Eric John breaks in,

"Jeromeo is just hanging out," he says. "He's been here the whole time and he really wants to see you get fucked."

She removes the cock from her mouth and says, "Okey Doke! We can arrange that!" They start with open to the camera mish, then there's cowgirl, more BJ, reverse cowgirl then doggy and more BJ. It's a decently long fuck and Eric John judges that load spewing time is near.

"All right I'm going to fill her pussy," he informs his public. "And when I cum in it I'm going to zoom in and you can spend the rest of your time with that alone."

JOSI VALENTINE: I'm half English and then a quarter Irish, an eighth French and an eighth Austrian. I've been doing the porn for almost two months now and it's so very brand new to me. I actually got into porn by just kind of Googling, "How To Get Into Porn." I ended up posting a picture on some website and someone scooped me up and handed me off to my current agency. It's been kind of slow getting going because I'm not the teen and I'm not the MILF. I'm in this kind of purgatory in the middle. Everything has come really naturally to me except there was a huge shift from being a teacher to someone trying to be a pornstar in terms of how you present yourself every day. You know, putting on makeup and dressing scantily. No more Irish wool! So putting on a different character and really accentuating and exaggerating the femininity and sexuality a woman possesses. ...I really love giving blowjobs. It kind of turns me on and I love it when a man or a woman uses their hands. I like when it gets hot and sweaty. It's easy for me to orgasm when I'm fucking. I mean, I'm not like a super cum queen but I have no problem having multiple orgasms. Once I get going, it's just boom boom boom boom boom. I've always kind of been lucky in terms of the guys I end up sleeping with in that they always seem to have big cocks so there's no change there. That's part of why I'm here hosting *Erotique TV Sex Daily*, learning the camera angles and learning how to be in front of the camera. Also getting to watch yourself live as we see the feed in front of us. It kind of programs me to make those corrections when I'm not going to be able to see myself on camera for, you know, scenes.

JOSI: I like to get fucked hard. I like when a man dominates me. I think maybe the only place in my life I'm submissive is the bedroom. But I also like to please, so, I love giving blowjobs. It turns me on. I like it when men take charge, you know? Kind of the whole stereotypical "Come in, put you on the kitchen counter and show you who's boss" type of fucking. It's easy for me to cum during sex scenes but I'm like, oh my god, I come very easily all the time, you know? I can masturbate and cum twenty times in a matter of ten minutes but once the cameras are rolling am I going to be able to get off? Yeah, I can easily. And sometimes it's even at different points than it would be in my personal life. So I'm like in reverse cowgirl when I'm not comfortable or relaxed I can get off on camera. I've been good with my hand for ten years. I recently got a Hitachi wand that is unbelievable. What I like to kind of picture in my mind when I'm masturbating is a man entering me, like his erect penis about to enter me. That's what gets me, the anticipation of sex. I'm 28 and thought I'd better get a vibrator before I became an old hag. I got some attachments for it and I use them, whereas masturbating with your hand, you just get these isolated climaxes. With a wand, it's amazing. As soon as you turn it on, it's like this wave that never crashes. It's just booming like all the time and I love it. There's one attachment that just makes me laugh hysterically. I don't know why. As soon as it turns on I'm giggling. No orgasming, just giggling. Yeah, I love it. I've been with a few couples, some threesomes, but I was twenty years old and in Mazatlan, Mexico and I took about eight guys back to my hotel room and just fucked them blue. It was something I wanted to do, so I did it. ...I do anal in my private life but I haven't done it on camera yet. I enjoy it. I'm sure I'll try it in porno. I think maybe the reason I'm holding out, like so many women hold out in the beginning, is that there's more money when you finally do it.

JOSI: I've been with Eric before, probably a couple of handfuls of times. He's really sweet. Both he and Vicky [Chase] are a very good people. Fucking Eric John is great. He's nice. He's not, you know, your typical male porn talent asshole that I hear about and haven't met yet. There's nothing better than a big cock if you know how to use it. If you're good at what you do, the more you have to work with and the better your performance is going to be. You can slide up and down on it, you can give a better blow job. Even with smaller cocks everyone's got something going for them. Sometimes a guy will have a really big head and it may not be that long, but you have a harder time deep throating it than you would someone else. I get to watch Eric fuck all these girls and I get that view, that male perspective that I don't normally get when I'm the one fucking. ...I was a high school art teacher at a public school in Vermont teaching various arts in Advanced Placements. And yes, my male students probably had bad thoughts or good thoughts, depending on how you look at it. ...Honestly, I know I'm smart and I'm in a good place in my life where I can be a good businesswoman. If this can work for me and I can make money, I'd love to eventually get into making movies. I mean, being an artist, I have a crazy mind. A lot of my ideas haven't even been done yet. In this industry there's a lot of repetitive things going on. ...I come from a small suburban town and it will be interesting when word comes out. It travels fast. But I'm not embarrassed by what I do and the thing is that if you're happy that's all that matters, and I know a lot of people who aren't happy, so if this is what's making me happy, who's to judge?

See, this is what sexual performance is all about. Caring enough to leave a lasting image for the fans that they can hold and treasure forever. Ultimately, we here in the sex industry are all about helping people. It's a gift that we give to the world. We're doing it for you because we want to make a difference. *We fucking care.* So Eric John blows a load in and on Josi Valentine's closely shaved crotch waffle and comments, "Josi just got all of the cum that would have been like normally distributed to more people." He then has her glorify the moment by placing a mini cam on the bed a few inches away for a dripping cooter spread. There is still time to kill so she grabs a wand and beats off until time is up. Wall-to-wall sex play. With this Internet thing you have to keep it rolling. Downtime is the killer and constant sexual excitement is a necessity. What do I think? I'll say that this was a pretty decent bang out altogether. This Josi Valentine? The classroom be damned. This change of careers came just at the right time and was an auspicious move. Hey, I think this kid from Boston has a lot of talent. 🐱

LUCKY
PINKY

PIXXX BY STEVEN ANDRES

Hey there, listen up. If You can't stand the heat You had better hightail it the hell out of this kitchen because scorching slut Lilly Banks is just getting warmed up. First she's gonna peel her bra and panties off and then she's gonna hop right up on the countertop and help herself to a thick, wet slice of pink pie. She's got a sassy little bod that makes You want to do naughty things to it and a face like the cheerleader that used to ignore You in high school. You remember her, right? The one who acted all prissy in class and doled out BJs to football players only? Well it looks like life is finally looking up because little Lilly's rarin' to put out, whether You made the team or not. When it comes to dick, she doesn't discriminate. She likes it all. She just smiles, spreads, and takes down anything that cums her way. 🐾
